

University of Auckland

University of Auckland

Founded in 1883, the University of Auckland is the country's largest university with over 44,000 students. This includes 8,000 international students representing over 120 countries.

University of Auckland has a main campus in the heart of Auckland city and four specialist campuses. There are more than 200 student clubs, societies and associations on campus where you can develop your interests and make new friends.

As the leading university of New Zealand, the school is recognized as one of the world's top five emerging leaders in entrepreneurship and innovation. The school has comprehensive relationships with universities and international organizations around the world. 360 International provides access to overseas learning experiences through a diverse, inspiring and attainable set of opportunities. The school offers a wide range of undergraduate and post graduate programmes.
