

Simon Fraser University

Simon Fraser University (SFU)

Located in Canada on British Columbia's west coast, Simon Fraser University was established in 1956. The University is Canada's leading comprehensive university with three vibrant urban campuses (Burnaby, Surrey, Vancouver) and deeply rooted partnerships at home and around the world.

Simon Fraser University is the first and only Canadian member of the National Collegiate Athletic Association, the world's largest college sports association. SFU has

one of Canada's strongest co-op education programs, which has placed students in local and international internships at organizations like Tesla and Facebook.

SFU students can access academic and research opportunities through 3,100+ international research partnerships in 128 countries.
