

University of Zagreb

University of Zagreb

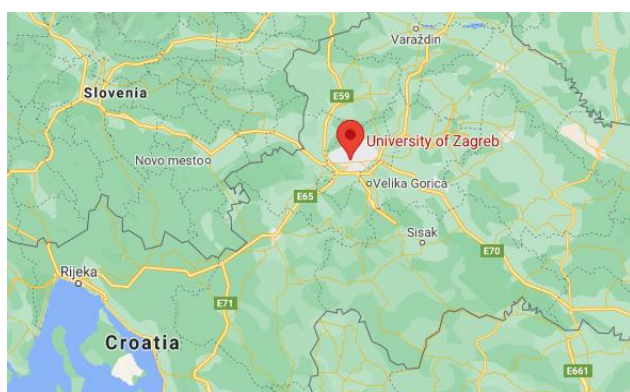

Set up in 1669, The University of Zagreb is the oldest and biggest university in South-Eastern Europe. A comprehensive public Central European

University, University of Zagreb offers education and research and in all scientific fields.

With its comprehensive programmes and over 50,000 full-time undergraduate and postgraduate students the University is the strongest teaching institution in Croatia.

University of Zagreb is in the process of building a new Campus “Borongaj” which is

the biggest investment in Croatian education in the last 150 years, and when it is built (finished) it will be used by more than 20 000 students.
