

Elon University

Elon University

Elon is a selective, mid-sized private university renowned as a national model for engaged and experiential learning. Based in the North Carolina town of Elon, Elon University is split into six schools offering undergraduate and graduate degrees. The curriculum is grounded in the traditional liberal arts and sciences and complemented by nationally accredited professional and graduate programs.

Elon's 6,291 undergraduate and 826 graduate students come from 46 states and 49 other countries. The school's extensive academic programs include more than 60 undergraduate

majors, nine graduate programs and a wide array of interdisciplinary programs and enriching intellectual and research opportunities.

A high proportion of Elon students have experience abroad, making it one of the top master's-level universities in the US for international education. Students from almost 50 different countries come to study at Elon.
