

Tilburg University

Tilburg University

Tilburg University is a research university based in the south of the Netherlands on a compact green campus with excellent facilities wedged between a forest and the town of Tilburg. It was established in 1927. More than 19,000 students are enrolled including 3,000 international students.

Tilburg University offers 71 Bachelors and Masters and 48 of them are taught in English. The school's high-quality programs provide an outstanding academic foundation to launch any career.

Tilburg University has a rich student life with over 40 student organizations, excellent sports facilities.

The university's main aim is to provide top-level academic education with a mix of classic and modern programs. Educational programs at Dutch universities are regularly assessed in national quality review procedures, in which their programs are rated as excellent.
