

American University

American University

American University was chartered by Congress in 1862 and by 1914, the AU was open for business and admitted its first class. The school is a student-centered research institution located in Washington, DC, with highly-ranked schools and colleges, internationally-renowned faculty, and a reputation for creating meaningful change in the world.

More than 14,000 students are enrolled in the school and more than 1,830 students are international students representing diverse

cultures and viewpoints from 123 countries.

American University offers 79 bachelor's, 89 master's, and 11 doctoral degrees, plus the Washington College of Law's JD, MLS, LLM, and SJD programs. Additionally, students have the opportunity to create individualized interdisciplinary programs at the bachelor's level.
