## National Taiwan University

Founded in 1928, National Taiwan University (NTU) is the most prominent and comprehensive research university in Taiwan, with a history tracing back to Taiwan Hospital established in 1895.

The NTU campuses unveil the beautiful landscapes of the island, from its main campus in the modern and culturally rich capital of Taipei, to the vast experimental forests in central Taiwan. NTU has a faculty of 2,000, a student body of 32,000, and offers more than 280 degree programs, ranging from natural sciences to humanities

and social sciences, underpinned by innovative research and academia-industry cooperation.
