## Aston University

Founded in 1947, Aston University is one of the oldest and largest universities in the UK. Located in the heart of Birmingham, Aston's campus is a global village within one of the friendliest, most diverse and multicultural communities in the UK.

It has a total student body of over 11,000 students, comprising around 9,000 undergraduates and more than 2,000 postgraduates. More than 3,000 students are international students from more than 120 countries. The school offers extensive support for students, including help with gaining

work experience, free English language support, and a range of scholarships.

The school's mission is to be the UK's leading university for students aspiring to succeed in business and the professions, where original research, enterprise and inspiring teaching deliver local and global impact.
