

Congratulations, freshmen!

We are proud of your efforts for entering
SungKyunKwan University!

Hope COVID-19 end soon and enjoy a
healthy university life.

As personal hygiene and quarantine are
emphasized these days, we would like to
introduce a place where you can get medical
treatment when having illness within a
campus.

If you are sick,
visit SKKU Healthcare Center!

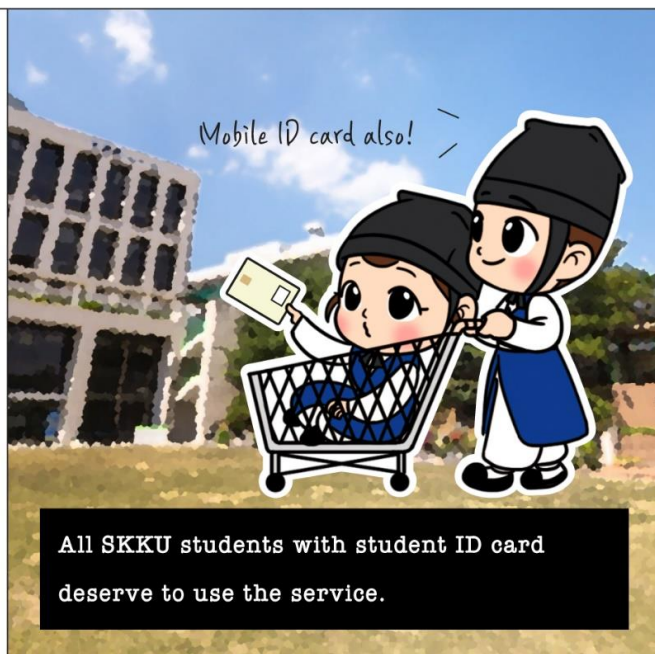

Let's check the guide together!

Fostering healthy human resources
Cultivation of self-health management skills
Medical treatment and health education

Health improvement of SKKU students
